

YMCA OF GREATER HARTFORD BEFORE & AFTER SCHOOL REGISTRATION FAQs

We are now utilizing secure online registration for our before and after school programs. The registration process is designed to be simple, but there are a few things to be aware of prior to registration that will make the process easier.

Please make sure you have a digital copy of your child's/children's current medical forms and a photo as this information will need to be uploaded during the registration process.

Registration

- 1) Register for before and after school care programs at gymca.org.
- 2) After you register, you will receive an invitation for "ePACT". "ePACT" is a secure, digital information file that contains details that are needed to provide the proper care for your child/children. "ePACT" enables easier communication as information changes and it will make future registration easier. Please make sure to check your spam or junk email folder for the email invitation from "ePACT".
- 3) Please register on the "ePACT" website with **the same email** you used to sign up for the program at ghymca.org. You must use the same email that you used to register (the email address where you received the "ePACT" invitation.)
- 4) Fill in the information requested including the uploading your child's photo and medical information.

Questions?

We thought you'd never ask! If you have any questions, don't hesitate to contact (insert camp contact here) and they'll happily help you out.
